Board Recommendation

Our Board of Directors unanimously recommends that you vote "FOR" each of Proposals 1, 2, 3, 4 and 5.

Who Can Vote

Only shareholders and ADS holders at the close of business on May 3, 2021 shall be entitled to receive notice of and to vote at the annual meeting.

How You Can Vote

You can vote your ordinary shares by attending the annual meeting. If you do not plan to attend the annual meeting, the method of voting will differ for shares held as a record holder, shares held in "street name" (through a Tel Aviv Stock Exchange, or TASE, member) and shares underlying ADSs that you hold. Record holders of shares will receive proxy cards. Holders of shares in "street name" through a TASE member will also vote via a proxy card, but through a different procedure (as described below). Holders of ADSs (whether registered in their name or in "street name") will receive voting instruction cards in order to instruct their banks, brokers or other nominees on how to vote.

Shareholders of Record

If you are a shareholder of record, you can submit your vote by completing, signing and submitting a proxy card, which has been published at www.magna.isa.gov.il and www.maya.tase.co.il and which will be accessible at the "Investor Information" portion of our website, as described below under "Shareholder Meetings".

Please follow the instructions on the proxy card.

Shareholders Holding in "Street Name" through the TASE

If you hold ordinary shares in "street name," that is, through a bank, broker or other nominee that is admitted as a member of the TASE, your shares will only be voted if you provide instructions to the bank, broker or other nominee as to how to vote, or if you attend the annual meeting in person.

If voting by mail, you must sign and date a proxy card in the form filed by us on MAGNA on April 23, 2021 and attach to it a certificate signed by the TASE Clearing House member through which the shares are held, which complies with the Israel Companies Regulations (Proof of Ownership for Voting in General Meetings)-2000 as proof of ownership of the shares on the record date, and return the proxy card, along with the proof of ownership certificate, to us, as described in the instructions available on MAGNA.

If you choose to attend the annual meeting (where ballots will be provided), you must bring the proof of ownership certificate from the TASE's Clearing House member through which the shares are held, indicating that you were the beneficial owner of the shares on the record date.

Holders of ADSs

Under the terms of the Deposit Agreement between the Company, The Bank of New York Mellon, as depositary, or BNY Mellon, and the holders of our ADSs, BNY Mellon shall endeavor (insofar as is practicable) to vote or cause to be voted the number of shares represented by ADSs in accordance with the instructions provided by the holders of ADSs to BNY Mellon. For ADSs that are held in "street name", through a bank, broker or other nominee, the voting process will be based on the underlying beneficial holder of the ADSs directing the bank, broker or other nominee to arrange for BNY Mellon to vote the ordinary shares represented by the ADSs in accordance with the beneficial holder's voting instructions. If no instructions are received by BNY Mellon from any holder of ADSs (whether held directly by a beneficial holder or in "street name") with respect to any of the shares represented by the ADSs on or before the date established by BNY Mellon for such purpose, BNY Mellon shall not vote or attempt to vote the shares represented by such ADSs.

Multiple Record Shareholders or Accounts

You may receive more than one set of voting materials, including multiple copies of this document and multiple proxy cards or voting instruction cards. For example, shareholders who hold ADSs in more than one brokerage account will receive a separate voting instruction card for each brokerage account in which ADSs are held. Shareholders of record whose shares are registered in more than one name will receive more than one proxy card. You should complete, sign, date and return each proxy card and voting instruction card you receive.

Our Board of Directors urges you to vote your shares so that they will be counted at the annual meeting or at any postponements or adjournments of the annual meeting.

Solicitation of Proxies

By appointing "proxies", shareholders and ADS holders may vote at the annual meeting whether or not they attend. If a properly executed proxy in the attached form is received by us at least 48 hours prior to the annual meeting (and received by BNY Mellon no later than the date indicated on the voting instruction card, in the case of ADS holders), all of the shares represented by the proxy shall be voted as indicated on the form or, if no preference is noted, shall be voted in favor of the matter described above, and in such manner as the holder of the proxy may determine with respect to any other business as may come before the annual meeting or any adjournment thereof. Shareholders and ADS holders may revoke their proxies at any time before the deadline for receipt of proxies by filing with us (in the case of holders of ordinary shares) or with BNY Mellon (in the case of holders of ADSs), a written notice of revocation or duly executed proxy bearing a later date.

Proxies are being distributed to shareholders and ADS holders on or about May 3, 2021. Certain officers, directors, employees, and agents of ours, none of whom will receive additional compensation therefor, may solicit proxies by telephone, emails, or other personal contact. We will bear the cost for the solicitation of the proxies, including postage, printing, and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares and ADSs.

To the extent you would like to submit a position statement with respect to any of proposals described in this proxy statement pursuant to the Companies Law, 5759-1999 (the "Israeli Companies Law"), you may do so by delivery of appropriate notice to our offices (Attention: Chief Financial Officer) located at 10 Bareket Street, Kiryat Matalon, PO Box 7537, Petach Tikva 4951778, Israel, not later than ten days before the convening of the annual meeting (i.e., May 21, 2021). Response of the Board of Directors to the position statement may be submitted not later than five days before the convening of the annual meeting (i.e., May 26, 2021).

Quorum

At the close of business on April 22, 2021, we had outstanding 515,746,293 ordinary shares. Each ordinary share (including ordinary shares represented by ADSs) outstanding as of the close of business on the record date is entitled to one vote upon each of the matters to be voted on at the annual meeting.

Under our articles of association, the annual meeting will be properly convened if at least two shareholders attend the meeting in person or sign and return proxies, provided that they hold shares representing at least 25% of our voting power. If such quorum is not present within half an hour from the time scheduled for the meeting, the meeting will be adjourned for one week (to the same day, time and place), or to later date if so specified in the notice of the meeting. At the reconvened meeting, if there is no quorum within half an hour from the time scheduled for the meeting, any number of our shareholders present in person or by proxy shall constitute a lawful quorum.

Vote Required for Each Proposal

Proposals 1, 3 and 5 to be presented at the annual meeting require the affirmative vote of holders of at least a majority of the voting power represented and voting on such proposal in person or by proxy on the matter presented for passage.

The approval of Proposals 2 and 4 are subject to the affirmative vote of the holders of a majority of the voting power represented and voting on such proposal in person or by proxy. In addition, the shareholders' approval must either include at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the proposals (excluding a personal interest that is not related to a relationship with the controlling shareholders), or the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against the proposal must not represent more than 2% of the outstanding ordinary shares.

Under the Israeli Companies Law, in general, you will be deemed to be a controlling shareholder if you have the power to direct our activities, otherwise than by reason of being a director or other office holder of ours, if you hold 50% or more of the voting rights in our Company or have the right to appoint the majority of the directors of the Company or its chief executive officer, and you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Can-Fite, that is affiliated to you has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

In the proxy card and voting instruction card attached to the proxy statement you will be asked to indicate whether you have a personal interest with respect to the proposal. If any shareholder casting a vote in connection hereto does not notify us whether or not they have a personal interest with respect to the proposal, their vote with respect to the proposal will be disqualified.

If you provide specific instructions (mark boxes) with regard to certain proposals, your shares will be voted as you instruct. If you sign and return your proxy card or voting instruction form without giving specific instructions, your shares will be voted in accordance with the recommendations of our Board of Directors. The proxy holders will vote in their discretion on any other matters that properly come before the meeting.

If you are a shareholder of record and do not return your proxy card, your shares will not be voted. If you hold shares (or ADSs representing shares) beneficially in street name, your shares will also not be voted at the meeting if you do not return your proxy card or voting instruction card to instruct your broker or BNY Mellon how to vote. This will be true even for a routine matter, such as Proposal 5 (the approval of the re-appointment of our independent registered public accounting firm and authorization of our audit committee to fix such accounting firm's compensation), as your broker and BNY Mellon will not be permitted to vote your shares in their discretion on any proposal at the meeting. For all proposals, a broker (and BNY Mellon) may only vote in accordance with instructions from a beneficial owner of shares or ADSs.

**PROPOSAL 1:
RE-ELECTION OF DIRECTOR**

Background

Under the Israeli Companies Law and our articles of association, the management of our business is vested in our Board of Directors. The Board of Directors may exercise all powers and may take all actions that are not specifically granted to our shareholders.

Our articles of association provide that we may have no more than 13 directors, plus the legally required number of external directors. Our Board of Directors currently consists of six directors, including two external directors.

In February 2020, a special general meeting of our shareholders approved an amendment to our articles of association, according to which the Board of Directors, excluding the external directors, if any (who shall be elected and serve in office in strict accordance with the provisions of the Companies Law, if so required by the Companies Law), shall consist of three classes of directors as nearly equal in number as practicable, which are appointed for fixed terms of office in accordance with the Israeli Companies Law and our articles of association, as follows: (i) the term of office of the initial Class I directors expired at the first annual general meeting of our shareholders held in 2020 and when their successors were elected and qualified, (ii) the term of office of the initial Class II directors shall expire at the first annual general meeting of our shareholders following the annual general meeting of our shareholders referred to in clause (i) above and when their successors are elected and qualified, and (iii) the term of office of the initial Class III directors shall expire at the first annual general meeting of our shareholders following the annual general meeting of our shareholders referred to in clause (ii) above and when their successors are elected and qualified.

Directors (other than external directors), may be elected only in annual general meetings of our shareholders. At each annual general meeting of our shareholders, each of the successors elected to replace the directors of a class whose term shall have expired at such annual general meeting of our shareholders shall be elected to hold office until the third annual general meeting of our shareholders next succeeding his or her election and until his or her respective successor shall have been elected and qualified. Notwithstanding anything to the contrary, each director shall serve until his or her successor is elected and qualified or until such earlier time as such director's office is vacated.

If the number of directors (excluding external directors) that constitutes the Board of Directors is hereafter changed, the then-serving directors shall be re-designated to other classes and/or any newly created directorships or decrease in directorships shall be apportioned by the Board of Directors among the classes so as to make all classes as nearly equal in number as is practicable, provided that no decrease in the number of Directors constituting the Board of Directors shall shorten the term of any incumbent director.

Directors so elected may not be dismissed from office by the shareholders or by a general meeting of our shareholders prior to the expiration of their term of office. The directors do not receive any benefits upon the expiration of their term of office.

The three classes of directors are Class I Directors, Class II Directors and Class III Directors. Ilan Cohen serves as our Class II Director until the close of the annual meeting to be held in 2021; Dr. Pnina Fishman and Mr. Guy Regev serves as our Class III Directors until the close of the annual meeting to be held in 2022 and Abraham Sartani serves as our Class I Director until the close of the annual meeting to be held in 2023.

All of the members of our Board of Directors, other than external directors, may be re-elected for an unlimited number of terms upon completion of their then-current term of office.

The director nominee, whose professional background is provided below, has advised us that he is willing, able and ready to serve as a director if re-elected. We do not have any understanding or agreement with respect to the future election of the named nominee.

Ilan Cohn, Ph.D. Ilan Cohn, Ph.D. is a patent attorney and a founding partner at the patent attorney firm Cohn, de Vries, Stadler & Co. since December 2020. Dr. Cohn holds a Ph.D. in Biology from the Hebrew University of Jerusalem.

Proposed Resolution

We are proposing adoption by our shareholders of the following resolution at the annual meeting:

"RESOLVED, that the re-election of Ilan Cohn as a Class II director of the Company, to serve until his term expires in accordance with his class be, and hereby is, approved in all respects."

Required Vote

Under the Israeli Companies Law and our articles of association, the affirmative vote of the holders of a majority of the ordinary shares represented at the annual meeting, in person or by proxy, entitled to vote and voting on the matter, is required to re-elect the director nominee named above.

Board Recommendation

Our Board of Directors recommends a vote FOR the re-election of the foregoing director nominee.

**PROPOSAL 2:
APPROVAL OF THE GRANT OF OPTIONS TO OUR CHIEF EXECUTIVE OFFICER**

Background

Our Compensation Committee and Board of Directors approved the grant to Dr. Pnina Fishman of 2,500,000 options to purchase 2,500,000 ordinary shares of the Company, at an exercise price equal to the average 30 day closing price of our shares on TASE during the period immediately prior to the Board of Director's resolution to grant such options on April 13, 2021 (the exercise price is equal to NIS 0.2561 per ordinary share), such options to vest on a quarterly basis over four years. The options shall be granted under our 2013 Share Option Plan.

Proposed Resolution

We are proposing adoption by our shareholders of the following resolution at the annual meeting:

"RESOLVED, to grant an aggregate number of 2,500,000 options to purchase 2,500,000 ordinary shares to Pnina Fishman upon the terms described above."

Required Vote

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to approve the grant of options to our Chief Executive Officer. In addition, the shareholders' approval must either include at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the grant of options to our Chief Executive Officer, or the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than 2% of the outstanding ordinary shares.

For this purpose, you are asked to indicate on your proxy card or voting instruction card whether you have a personal interest in the grant of options to the Chief Executive Officer. Under the Israeli Companies Law, in general, you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Can-Fite, that is affiliated to you has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

Board Recommendation

Our Board of Directors recommends a vote FOR approving the grant an aggregate number of 2,500,000 options to purchase 2,500,000 ordinary shares to Pnina Fishman upon the terms described above.

**PROPOSAL 3:
PROPOSAL TO INCREASE AUTHORIZED SHARE CAPITAL**

Background

Our authorized share capital is NIS 250,000,000 divided into 1,000,000,000 ordinary shares, par value NIS 0.25 each. As of April 22, 2021, we had 515,746,293 ordinary shares issued and outstanding and we had no preferred shares outstanding. In addition, as of April 22, 2021, 15,816,200 ordinary shares are issuable or will become issuable upon the exercise of stock options out of which 15,775,000 ordinary shares are available for issuance under our 2013 Share Option Plan, and 176,947,640 ordinary shares represented by 5,898,255 ADSs are issuable upon exercise of outstanding warrants. Accordingly, 291,489,867 ordinary shares remain unissued and unreserved.

The proposal to increase the authorized share capital of the Company is designed to enable us to have sufficient authorized share capital for the upcoming years and in order that the increase in authorized share capital would allow us to meet our future business needs as they arise. These needs could include, among other things, the sale of shares in public and private offerings to raise additional capital, the purchase of property or assets, the acquisition of other companies, the use of shares for various equity compensation and other employee benefit plans and arrangements, the declaration of share splits or dividends, and other bona fide corporate purposes.

The possible future issuance of equity securities consisting of ordinary shares, ADSs or securities convertible into ordinary shares could affect our current shareholders in a number of ways, including the following: (i) diluting the voting power of the current holders of ordinary shares or ADSs; (ii) diluting the market price of the ordinary shares or ADSs, to the extent that the new ordinary shares or ADSs are issued and sold at prices below current trading prices of the existing ordinary shares or ADSs, or if the issuance consists of equity securities convertible into ordinary shares or ADSs, to the extent that the securities provide for the conversion into ordinary shares or ADSs at prices that could be below current trading prices of the ordinary shares or ADSs; and (iii) diluting the book value per share of the outstanding ordinary shares or ADSs.

Proposed Resolution

We are proposing adoption by our shareholders of the following resolution at the annual meeting:

"RESOLVED, that the increase to our authorized share capital by 4,000,000,000, such that following the increase, the authorized share capital shall equal NIS 1,000,000,000 divided into 5,000,000,000 ordinary shares, par value NIS 0.25 each, and the corresponding amendment to our articles of association be, and hereby is, approved in all respects."

Required Vote

Under the Israeli Companies Law and our articles of association, the affirmative vote of the holders of a majority of the ordinary shares represented at the annual meeting, in person or by proxy, entitled to vote and voting on the matter, is required for this proposal.

Board Recommendation

Our Board of Directors recommends a vote FOR the increase in our authorized share capital and corresponding amendment to our articles of association as specified above.

PROPOSAL 4:

APPROVAL OF AN AMENDMENT TO OUR COMPENSATION POLICY IN THE FORM OF AN INCREASE OF THE ANNUAL PREMIUM PAYABLE FOR THE DIRECTORS' AND OFFICERS' INSURANCE POLICY

Background

The Israeli Companies Law provides that a company may, if permitted by its articles of association, enter into a contract for the purchase of insurance covering the liability of any of its office holders with respect to an act or omission performed by the office holder in his or her capacity as an office holder, for (a) a breach of his or her duty of care to the company or to another person; (b) a breach of his or her duty of loyalty to the company, provided that the office holder acted in good faith and had reasonable cause to assume that his or her act would not prejudice the company's interests; or (c) a financial liability imposed upon him or her in favor of another person. Our articles of association allows us to insure our office holders to the fullest extent provided by the Israeli Companies Law. An "office holder" is defined under the Israeli Companies Law as a director, general manager, chief business manager, deputy general manager, vice general manager, other manager directly subordinate to the managing director or any other person assuming the responsibilities of any of the foregoing positions without regard to such person's title.

The Israeli Companies Law provides that a company may not enter into an insurance contract that would provide coverage for any monetary liability incurred as a result of any of the following: (a) a breach by the office holder of his or her duty of loyalty unless the office holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company; (b) a breach by the office holder of his or her duty of care if such breach was committed intentionally or recklessly, unless the breach was committed only negligently; (c) any act or omission committed with the intent to unlawfully yield a personal benefit; or (d) any fine or monetary settlement imposed on the office holder.

In recent years, our activities and operations have developed and evolved. We are conducting trials internationally and our securities are traded both on the NYSE American and on the TASE. Due to these developments and in order for us to enable our office holders to make and implement decisions that are in the best interest of our company and our shareholders, our compensation committee and board of directors approved an increase of the annual premium payable for the directors and officers' insurance policy, in accordance with the accepted market conditions, with a liability limit of up to US\$10 million per case and each insurance year. At the annual meeting, shareholders will be asked to approve an increase of the annual premium payable for the directors and officers' insurance policy, in accordance with the accepted market conditions, with a liability limit of up to US\$10 million per case and each insurance year.

Proposed Resolution

We are proposing adoption by our shareholders of the following resolution at the annual meeting:

"RESOLVED, to approve an increase of the annual premium payable for the directors and officers' insurance policy, in accordance with the accepted market conditions, with a liability limit of up to US\$10 million per case and each insurance year."

Required Vote

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the resolution to approve the amendment to our compensation policy as detailed above. In addition, the shareholders' approval must either include at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the amendment to our compensation policy, or the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than 2% of the outstanding ordinary shares.

For this purpose, you are asked to indicate on your proxy card or voting instruction card whether you have a personal interest in the amendment to our compensation policy. Under the Israeli Companies Law, in general, you are deemed to have a personal interest if any member of your immediate family or their spouse has a personal interest in the adoption of the proposal. In addition, you are deemed to have a personal interest if a company, other than Can-Fite, that is affiliated to you has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of our shares, or to a matter that is not related to a relationship with a controlling shareholder.

Board Recommendation

Our Board of Directors recommends a vote FOR the foregoing resolution of approving the amendment to the Company's compensation policy as specified above.

**PROPOSAL 5:
